Micro Focus Support

You can visit the **Micro Focus Software support web site** at:

<https://softwaresupport.softwaregrp.com/>

This web site provides contact information and details about the products, services, and support that Micro Focus Software offers.

Micro Focus Software support provides customer self-solve capabilities. It provides a fast and efficient way to access interactive technical support tools needed to manage your business. As a valued support customer, you can: search for knowledge documents of interest, submit and track progress on support cases, submit enhancement requests online, download software patches, and more.

To access the Self-solve knowledge base, visit the **Self-solve knowledge search** home page.

Most of the support areas require that you register as a user and sign in. Many also require an active support contract. To find more information about support access levels, go to: [Access levels](#).
